## FROM THE PASTOR

**REV. AUGUST W. LUNDQUIST**  
Senior Pastor

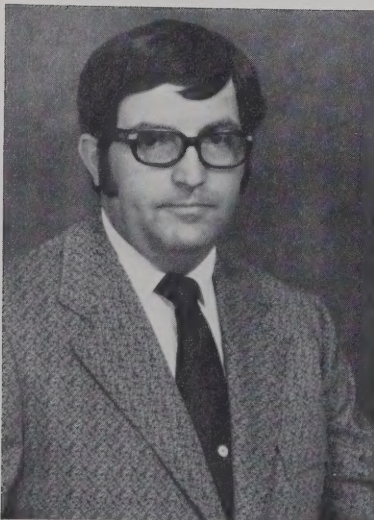

Auburn First United Methodist Church is a family of believers under the leadership of Jesus Christ. We are associated together for fellowship and discipline, the strengthening of each other in worship, to build each other up in learning about Christ, to convert the world, to observe the Sacraments as Christ taught and to share the Word. We are a part of the world wide fellowship of those who accept Jesus Christ as Lord and Savior. We are the Church.

Here in this directory are the people who are called the Church. The activities of the people carries on the work of God. They conceive this as trying to learn of the love of God for all persons and trying to express that love to their fellowmen without regard to whether or not they agree with some of the ways or opinions of those other persons.

In the Church, activities from the cradle to the grave take place. Sunday and the other days of the week finds something happening inside and outside the building. In these activities, God is active and is directing his people.

Persons are welcome to join this pilgrimage of learning and doing so that Christ may be honored here in Auburn. All that we do and all that we have done has its meaning in serving and obeying God. This is our purpose and our life.

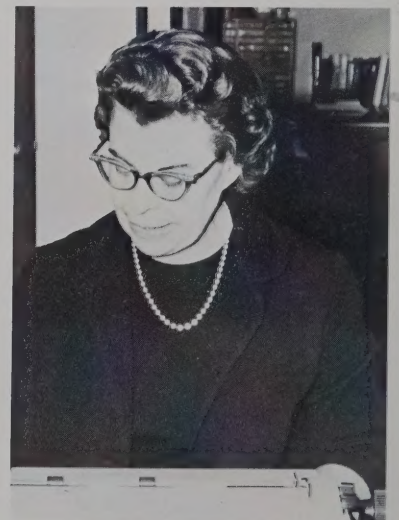

*August W. Lundquist*  
Rev. August W. Lundquist

**REV. RICHARD CAMPTON**  
Associate Pastor

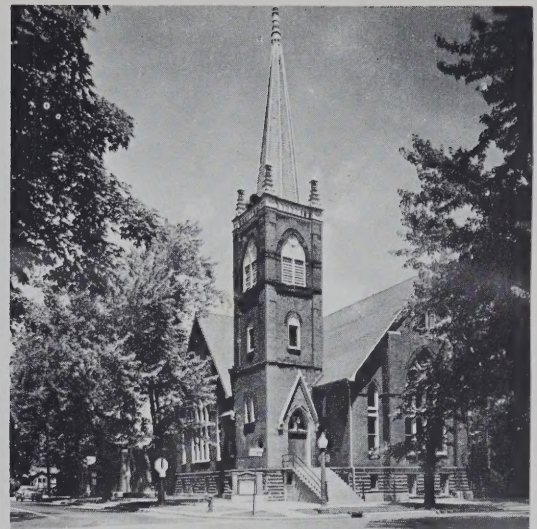

**MRS. WANDA MITCHENER**  
Church Secretary

**MRS. GEORGIA LOCHNER**  
Assistant Secretary

### HISTORY OF OUR CHURCH

In the 1830's, the first white settlers established homes in DeKalb County and, paralleling the secular history of the area, Methodism also came to Auburn.

Wesley Park, arriving as the first Auburn resident in 1836, his wife Sophia and Fannie Smith were the first three members of the Auburn Methodist Church, organized in 1839 by the Reverend Samuel Reed. From this group of three has grown the present membership of 1,230.

As the membership and the scope of the church grew, so did the need for different houses of worship. In 1844 with 42 members, the regular meetings were held at the cabin of Wesley Park or in a public building.

In 1847 the 60 members of the Auburn congregation became interested in plans to build a church, and in 1849, contemporary with the California gold rush, the First Methodist Church, the only church building in Auburn, was completed at the northwest corner of the intersection of East Seventh and Cedar Streets. The church, located on a site donated by Mr. and Mrs. Park, was built largely by the Rev. Samuel Lamb, the minister who was also a carpenter.

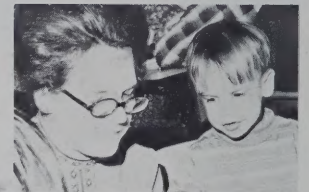

In 1874, when the church had weathered the strife caused by differences of opinion over the Civil War, the church building was moved from its first location to the corner of the intersection of North Van Buren and Sixth Street.

The membership grew steadily from 150 in 1883 to 207 in 1886. An extended revival in 1889-90 added many new members and a strong sentiment developed for the building of a better and larger church building. Late in May of 1890, during the ministry of the Reverend H. M. Lamport, the new church was begun and the building was completed for dedication on February 22, 1891, with a membership of 291.

In 1921 the interior of the church was re-decorated and the lot adjoining the church on the east was purchased. In 1939 during the pastorate of the Reverend Claude Garrison the congregation re-decorated the church and celebrated the 100th anniversary of the establishment of the Methodist Church in Auburn.

In 1946 the need for additional space for the children became evident and in 1949, while the Reverend Van Hinckley was pastor, the sanctuary of the church was modernized, an electronic organ installed, a Fellowship Hall created, and the kitchen improved in preparation for a new educational unit. On August 24, 1952, the cornerstone was laid and on April 25, 1953, the new Children's Building was formally opened with the Reverend C. C. Collins as minister.

The decade of the space-age 1960's brought more and more questions concerning the venerable First United Methodist Church. Now 70-plus years old, the church building would need complete structural repairs or, as an alternative, a new church should be constructed. Prayerfully, the congregation made its decision on November 24, 1964 to relocate and build new. A building fund was then launched, and in 1965 a 6 1/2 acre building site was purchased in East Auburn. The congregation's excellent support of the building fund was further stimulated by the generous bequest of the late Dr. Lewis Geisinger.

Groundbreaking ceremonies for what had now become the First United Methodist Church were held on May 3, 1970, during the ministry of the Rev. Wallace W. Deyo, and associate, the Rev. Stanley E. Tobias. The cornerstone was laid on July 25, 1971.

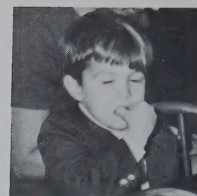

Through the unflagging efforts of many willing Methodist hands the new edifice was opened for services on October 31, and the Service of Consecration was held November 21, 1971.

Soon after the completion of the building and the opening for worship, Annual Conference time again came and Rev. Wallace Deyo, who had guided the building program to a successful conclusion, announced his retirement. Rev. Stanley Tobias was transferred to the United Methodist Church at Dunkirk, Indiana. Reuben H. Mueller in one of his last official duties as Bishop of the Indiana Area, appointed Rev. August W. Lundquist as the Senior pastor of the congregation and Rev. Richard R. Campton as the Associate.

Thanks to the generous gifts from various individuals such as the Quance family and different class projects the entire upper level has been carpeted and windows draped. This has added much to the comfort and beauty of our facilities.

In the midst of all the physical change and growth, discipleship is still the high goal of the members of Auburn First Church. To serve Jesus Christ with the same determination that built the building is the worthy cause to which we have dedicated our lives. We believe that constructing a faithful witness is a life-long work and with the grace of God it shall be done.

Much remains to be written about the life of Frist Church. It began in 1839 and it goes on to be the extension of the Body of Christ into the world. It shall remain as long as God wills and His people are faithful.
